PROF. MUHAMMAD RASHID (PRINCIPAL)

PRINCIPAL'S MESSAGE

Dear Students,

I am greatly honored by the opportunity to serve you in this institution. This Institution, which is providing quality education since 1990, boasts of its committed and highly qualified teaching faculty, well-resourced laboratories, a state of the art student Management Information System (SMIS) as an academic database, its vast playgrounds and a friendly environment. The College is striving to use technology for academics and administrative purposes.

The college has been offering admissions in BS Programs in affiliation with QAU Islamabad since 2019 and the constant increase in the number of Students in these programs proves the college's commitment to excellence.

In this institution we work as a team—a team of students, teacher, parents and community—So that students may gain knowledge and develop social skills that will benefit them in their pursuit of knowledge and make them positive members of society. Our approach in this regard, involves working with parents to meet the individual needs of every student and support them to fulfill their curricular and co-curricular goals.

As Twenty First century is the era of competition. and the importance of hard work as a key to success in competition cannot be denied, we inculcate in our students a thirst for knowledge, the significance of hard work and a desire to be successful that motivate them to compete and face challenges. Islam gives us numerous messages for hard work, and the motto of the father of the nation ,"Work, work and work" should be followed, which will In Sha Allah lead you to success in every walk of life.

INTRODUCTION TO IMCB, F-10/4, ISLAMABAD

Islamabad Model College for Boys (Ex F G College) F-10/4 is situated in the serene area of Islamabad. It was founded in 1990. It established itself as an esteemed institution of Islamabad Capital Territory. For the last 31-years, this institution has been playing its vital role in shaping and grooming the future architects of nation. Every year, it displays excellent results in curricular, co-curricular activities at FBISE and QAU level which makes it luminous among other institutions functioning under FDE.

The institution is imparting education in different disciplines. At Intermediate level the subject combinations of Pre-Engineering, Pre-Medical, G. Science, ICS, I.Com and Humanities are offered. The college has been granted the privilege by the authorities to launch BS Programmes in the subjects of English and Urdu from the academic session 2019-20 and BS Statistics from 2025-26. In this way, this college has become a leading postgraduate institution in the locality offering opportunity of admission to the aspiring students for graduation.

The institution is proud of an experienced team of qualified teaching faculty having **Fourteen** Ph. D. scholars and **thirteen** M. Phil degree holders. It is imparting quality education to the future nation builders. This institution aims at equipping the students for the challenges of life and building a character in the light of Islamic ethical values.

The college is making efforts to explore the hidden talent of the students and to provide them with better opportunities to explore themselves. For this purpose, a number of Societies/Clubs have been formed. Under the guidance of learned professors, the talented students find opportunities to shine in different activities-Declamation contests, Qirat and Naat competitions, Educational seminars, Dramatic society and Sports competitions.

There are fully equipped science laboratories with latest equipment for the students to perform their practical work. Four computer labs with latest computers are functional while including a High-Tech state of the art lab with cutting edge technology. This state of the art lab has the access to digital library provided by the HEC.

The college library has more than 6000 books covering all the subjects. Efforts are being made to increase the number of books for the students and researchers on monthly basis. For the students of BS programmes, an exclusive library with requisite facilities has also been established.

College Transport is also available for the students. Three busses are available to provide pick and drop facility to the students from various sectors of Islamabad to the college.

A new infirmary is being set up for the students and staff where basic first aid facility will be available. The administration is committed to hire the services of a doctor after the approval of FDE, to provide basic medical treatment to the ailing students.

The college has a vast play ground equipped with sports facilities. Hockey, Cricket, Football, Basket Ball, Table Tennis, Badminton, Gymnastics and other sports competitions are arranged to identify and train the best sportsmen who can represent the College at Board and University level. The students of IMCB, F-10/4, Islamabad have shown excellent performance in Board/ University games and won many prizes. They are the ambassadors of the college who have earned fame and honour for the institution.

CMC (College Management Committee) is a very effective body which consists of the representatives of the parents and teachers. It functions to develop a healthy coordination between the college administration and the parents regarding the academic and administrative matters of the college. Monthly meetings are held to supervise and ensure better educational atmosphere for the students.

The administration strives at its level best to achieve its set goals. It not only competes but also beats other institutions by hard work and excellent results.

Our Vision

To provide excellent educational opportunities to the students & make them become active participants in shaping the future of the country.

Our Mission

- To prepare students, understand, contribute and succeed in a rapidly changing society, and thus contributing to national progress.

- To ensure that our students develop required skills and the capability essential for success and leadership in the emerging global economy.

Our Objectives

The main objectives of the college are:

- To encourage the students to utilize their utmost potential in both academic and social fields.
- To provide an excellent academic environment to the students to train them as valuable members of the society.
- To achieve the objectives and goals of education in accordance with the national education policy.
- To strive to be a leading and progressive college firmly focused on the future with respect to our national heritage and Islamic culture.
- To provide ample opportunity to the students to participate in healthy curricular and co-curricular activities for their mental and physical growth.
